

Healthy Children

Volunteers needed!

Are you interested in volunteering to help families in your Community? We are recruiting 20 Volunteers 18 years and over for the Healthy Children in Healthy Families Project.

Volunteers will:

- be provided with FREE training (3 half day workshops)
- work with families in their own communities helping raising awareness of existing Health Services.
- work with families from their own community to help signpost families onto existing health services that they are not accessing.
- ideally have experience in volunteering/working with families in their own communities.
- help organise health events/groups within their community
- have to commit a minimum of 4 hours per week for up to 12 months to the project.

If you're interested in volunteering and would like an application form contact Martyn Rubery on 024 7683 2404 or e-mail martyn.rubery@coventry.gov.uk
